

Simply Beautiful®

Long-lasting color. Simple to choose. Simple to use.

10

Warm Season

For a more contemporary-looking combination, try using plants that you would not normally put together. This container features cascading foliage, spicy black peppers and delicate color all in one. Please note that the fruit on the Black Pearl Ornamental Pepper is very spicy to the taste and is considered more decorative than edible.

10 to 12 in. (25 to 30 cm)
